Consultathon

Guidelines

Round 1:

It will be a multiple choice quiz round and will test your basic business acumen and understanding.
Timeline: 16th February (Tentative)

Round 2:

In this round, you will be presented with a problem statement. Present your innovative solutions for the case in a creative presentation deck.
Timeline: 20th February-27th February (EOD) (Tentative) Deck making round
Submission format: A deck (in pdf format) with a maximum of 12 slides.

Round 3:

In this round, the Problem Statement will be slighlty modified and teams would need to extend their decks and subsequently pitch offline.
All teams will be invited to IIT (BHU) Varanasi to present your solution.

Details will be forwarded through the Problem Statement of the Round 3
Submission format: A deck (in pdf format) with a maximum of 15 slides.
Pitching: 15-17th March (tentative)

Eligibility:

1. Any number of teams may participate from a given college. The event consists of 3 rounds.
2. Each round is an elimination round.
3. All students from authorized institutions are eligible to participate.
4. The Team Size limit is a maximum of 4. The participants in a team may be from the same or different institutions and programs.
5. Students qualifying for the offline round must have valid School College ID cards
6. A person cannot register in more than one team.

Notes

- This PS is still under development and will be finalized with the event dates, the prize pool, and the registration links in a week.
- The organizing committee's decision would be final in case of any disputes.
